

The LORAX

Let's all join hands and speak for the trees,
Have loads of fun 'n good eats, if you please.
For our friend, is turning

There's much to do, so much to explore!
So please enter, come in! Let's go for a spin!

There aren't many dont's or do's

Except to take of your shoes!

And of course, all the while

Have loads of fun and smile!
